

circulomedia.cpp

```
graph TD; A[circulomedia.cpp] --> B[iostream]; A --> C[cmath];
```

A diagram illustrating the dependencies of the file `circulomedia.cpp`. The file name is in a grey box at the top. Two blue arrows point from this box to two white boxes below it, labeled `iostream` and `cmath`, indicating that `circulomedia.cpp` depends on these two standard library headers.
